

Interim Children's Ministry Co-Coordinator

Highlands Church, Paso Robles, California,

Children's Ministry

Job Type: 36 hours/month or 8 hours/week at \$20/hour

Job Description:

What's the faith of the Next Generation worth to you? If you said "everything," then you share our heart for reaching every kid both inside and beyond our church. If you have this passion for reaching kids, then we know you will also have a desire to create the best spaces with the best experiences for the best kids ever!

We need your help. Our kids need an Interim Children's Ministry Coordinator so that Sunday can be the best day of their week! The key to this will be a fun, positive, joyful, humble, and faith-filled leader who can recruit, coordinate, and lead a team of volunteers.

We always remember that the work we are doing is holy. How so? Well, we consider our kids ministry to be the number one trauma unit in our region. Kids come to church every week with the weight of the world on their shoulders. Some have dealt with the loss of a loved one, the pain of divorce, bullying, peer-pressure, feelings of worthlessness, and much much more. Just think...we get to introduce them to the unconditional and extravagant love of Jesus! That's why we will let nothing get in the way of lifting up our kids and striving to bless their socks off every time they come!

Church Description

Highlands Church is a dynamic, growing church on the central coast of California. Our ministries are unique and creative. We started in a movie theater in 2006 with a mission to reach the de-churched people of the community. We often jokingly say, "no perfect people are allowed" because everyone feels welcome. We have a weekend attendance of 400 people and we want to grow in order to reach the approximately 20,000 people in our community who have no church home. Paso Robles is world-renowned as a destination for wine, great restaurants and our close proximity to the coast. But we also passionately want to be a launchpad for leaders who will change the world with their faith in Jesus. "The harvest is plenty, but the workers are few." Is this your call? Position Description

The vision for the Interim Co-Coordinator for Children's Ministry is for this person to be able to attend church services ½ of the Sundays and then to serve in kids ministry the other half. This will ensure that the Interim Co-coordinators will remain vitalized in their faith and renewed in their sense of purpose.

Passion, passion, passion. The Interim Children's Ministry Co-coordinator must exhibit a growing passion for shepherding kids into loving relationship with Jesus as well as the volunteers who serve.

Shepherding volunteers is going to be the key. This will mean consistently and actively recruiting and then shepherding new volunteers to serve on Sundays.

Coordinating well will help it be fun for everyone. The Interim Co-coordinator position will both lead and coordinate lessons, lesson plans, and a team of volunteers to serve at Highlands. This will involve every aspect of the Children's Ministry from check-in to classroom leadership.

The expectation is that the Interim Co-Coordinator will attend worship on the Sundays when not leading Children's Ministry. This is intended to provide the Co-Coordinator and those who serve alongside the Co-Coordinator with an experience of inclusion in the whole life of the congregation.

The Interim Co-Coordinator bears responsibility for ministry to and with children, from birth to the fifth grade, and their families. This position will mean applying creativity to serving and loving the children of Highlands and even reaching out to new children to welcome them into worship.

The Interim Children's Ministry Co-Coordinator is paid \$20/hour for approximately 36 hours each month or \$725/month.

Is God bringing you to our Highlands family? Remember this: You can't say "no" to a job you don't apply for. J
